This belongs to Sanitation. I will coordinate with our Wastewater group on the location.

Hi Sarah,

I have attached a picture of a water pump across the street from 7618 Woodman Ave.

I wanted to put it on your radar as there are currently 2 encampments within the property.

There also seems to be an RV taking shelter within the surrounding parking lot.

Could you please confirm whether or not this property belongs to Sanitation?

If so, can we please send out a team to address this matter.

Please let me know if there is anything our office can do to help.

Thank you,
